

Zoho Recruit

Zoho Recruit is one of the prominent names among recruitment management and application tracking tools. It is easy-to-use and customizable as per your needs, which makes it suitable for a wide-range of industries. Right from recruitment process to back-end tools, such as automated workflows, territory management, and document collaboration, it is highly capable of handling a plethora of HR processes.

Zoho Recruit gives a 360-degree view of applicant's profiles, enhancing transparency and saving more time. Email integration feature automates the communication and sends automated notifications. It also comes with security options to keep your confidential data safe.
